DIAKONIA TRAINING INSTITUTE

A TVETA Accredited College cert no TVETA/PRIVATE/TVC/0058/2023

▶ SHORT ICT COURSES

Since the inception of our pioneering computing program in 2004 (Shalom IT Center), we have established ourselves as the premier institution for trainees seeking high-quality, practical, and market-driven education

OUR MISSION

Diakonia Training Institute aims to foster an intellectual culture that bridges theory with best practice and formation of holistic graduates for community service, empowerment and leadership at local, national and international levels.

OUR VISION

To be an academic center of excellence that is committed to the transformation of the Kenyan Society and the generation of innovative educational services
